

## Communications Report

ORANJ has a new email address. It's [oranjcrc@gmail.com](mailto:oranjcrc@gmail.com) I monitor this address and will probably be able to forward it to the person you wish to reach. Also, if you haven't been getting our quarterly e-newsletter send me a request and I'll get you subscribed. And/or I can also subscribe you to our monthly blog posts which summarize the monthly Zoom meetings that RAC presidents and ORANJ liaisons attend. Both the newsletter and the blog are open to the public.
